

CURRICULUM VITAE

Julie Lynn

BACKGROUND

Julie Lynn is currently a Fire Investigator for Fire Cause Analysis. In 2013, she retired from the United States Air Force as a Lt Colonel with 22 years of service. She served 12 years on active duty as a C-130 Aerospace Engineer and a KC-10 Evaluator/Instructor Pilot. In 2003, she transitioned from active duty to the USAF Reserves where she worked 10 years for the Air Force Academy. Upon her retirement, she was appointed by Governor Brown to be the California State Director for the Selective Service System. She served in this GS-15 position from 2013 to 2016. In addition, Julie has been a full-time commercial airline pilot for Jetblue Airways since 2003.

Upon her military retirement, Julie decided to pursue a lifelong passion with the fire service in addition to her airline pilot career. She obtained an A.S in Fire Science, completed a Firefighter Academy with the highest academic score, and subsequently volunteered as a Reserve Firefighter with CALFIRE CZU where she earned her California Firefighter I certification.
