

Curriculum Vitae

Andrew Berasley, CFEI, CVFI, IAAI-FIT, IAAI-FIT(V)

Current Position

Fire Cause Analysis

2008 – Present

Certified Fire & Explosion Investigator – Certified Vehicle Fire Investigator - Automotive Forensic Specialist - Fire Investigation Technician - Evidence Technician

Duties and Responsibilities

Mr. Berasley is a Certified Fire Investigator with the responsibility of managing and conducting vehicle fire investigations for FCA. His years of experience include owning and operating his own auto repair facilities & collision company where he was directly responsible for mechanical issues on vehicles, trucks and heavy equipment. He works with law firms and the insurance industry, providing additional services in all fire related disciplines including Fire Testing and Auto Related Mechanical & Electrical Studies. Mr. Berasley has conducted over 6,000 hours of investigations for Fire Cause Analysis. In addition, Mr. Berasley has given deposition and trial testimony in both civil and criminal cases.

Mr. Berasley is also responsible for all aspects of evidence recovery, handling & storage, and documentation of evidence, including supervising collection and evidence chain of possession in FCA's facilities in Northern & Southern California & Arizona.
