

CURRICULUM VITAE

Gary T. Bontrager, CFI

PROFESSIONAL SUMMARY

Gary joined Fire Cause Analysis in October 2017 after working for the Snohomish County, Washington, Fire Marshal's Office for over thirty years. He has conducted over 3,000 fire investigations including: structures, vessels, vehicles, and wildland fires. He has testified in both Superior and Federal Courts.

Gary also worked as a Loss Control Consultant for a national risk management firm that supported self-insured entities' employee injury claims. Clients included: hospitals, municipalities, heavy industries, and food processing companies. The position required extensive knowledge of OSHA and WISHA safety standards, fire code, building code, and mine safety regulations.

Gary is a CFI, Certified Fire Investigator, through the INTERNATIONAL ASSOCIATION OF ARSON INVESTIGATORS (IAAI); Certified Fire Investigator NFPA 1033 through the NATIONAL BOARD ON FIRE SERVICE PROFESSIONAL QUALIFICATIONS (NPQS); and Certified Fire Inspector II through the INTERNATIONAL CODE COUNCIL (ICC). He is a commissioned law enforcement officer and has expertise in large scale fires, death investigations, insurance fraud, and product liability and experience in courtroom testimony relating to civil/criminal investigations.

In his spare time, Gary fully restores vehicles. His most recent project is a vintage fire truck circa 1942.

Experience

October 2017 – Present

Fire Cause Analysis –

Fire Investigator conducting origin and cause investigations.

March 1984 – Present

Snohomish County Fire Marshal's Office -- Everett, WA - Deputy Fire Marshal –

Gary investigated over 3,000 fires and has been responsible for determining the origin and cause of fires/explosions involving structures, boats, and vehicles. This includes handling large scale fires, proving Gary's ability to coordinate with law enforcement agencies and insurance companies, as well as working with federal and state agencies. Gary was commissioned by the Snohomish County Fire Marshal's Office to investigate fires where a crime has been committed, as well as enforcing of the fire code.
