

CURRICULUM VITAE

STEVEN J. MOORE, CFI

Steve started his career with a municipal fire department located in the Bay Area of California in 1984. As he worked his way up in the ranks to Captain, he also became a shift fire investigator in 1990. Steve continued to serve as a shift investigator until his retirement in 2011. Steve is certified through both the International Association of Arson Investigators (IAAI) and the National Association of Fire Investigators (NAFI). Steve is also certified as an evidence collection technician and an expert witness through IAAI. Steve has served as an adjunct instructor in fire investigation for both the public and private sectors. Steve is a licensed private investigator in the state of Oregon. Steve brings his 30+ years of experience in both firefighting and origin and cause investigation with him to every investigation.

Professional Experience:

January 2013 – Present Fire Cause Analysis
Fire Origin and Cause Investigator

- Certified Fire and Explosion Investigator (NAFI)
- Certified Vehicle Fire Investigator (NAFI)
- Certified Fire Investigator (IAAI)
- Certified Evidence Collection Technician (IAAI)
- Licensed Private Investigator (Oregon)
- Responsible for all aspects of fire and post blast investigations

June 2011 – January 2013 West Coast Fire Investigations, Rogue River OR
Owner/Investigator

- Certified Fire and Explosion Investigator (NAFI)
- Certified Vehicle Fire Investigator (NAFI)
- Certified Fire Investigator (IAAI)
- Certified Evidence Collection Technician (IAAI)
- Licensed Private Investigator (Oregon)
- Responsible for all aspects of fire and post blast investigations

2002- June 2011 Fire Department, Milpitas CA
 Captain/Shift Fire Investigator

- Responsible for Fire Suppression
- Responsible for Emergency Medical events
- Responsible for ongoing instruction and training
- Responsible for all aspects of Technical Rescue Operations
- Responsible for investigating fires to determine origin and cause
- Responsible for facilitating Shift Training
- Attended investigation conferences and classroom training

1988-2002 Milpitas Fire Department, Milpitas CA
 Apparatus Engineer/Shift Fire Investigator

- Responsible for Fire Suppression
- Responsible for Emergency Medical Events
- Responsible for ongoing instruction and training
- Responsible for driving and maintaining Apparatus and Equipment
- Responsible for investigating fires to determine origin and cause

May 1984-1988 Milpitas Fire Department, Milpitas CA
 Firefighter/Apparatus Mechanic

- Responsible for Fire Suppression
- Responsible for Emergency Medical Events
- Responsible for ongoing instruction and training
- Responsible for routine Apparatus Maintenance

Professional Affiliations:

IAAI-Member
NAFI-Member / CFEL, CVFI
DPSST PI # 53884

Professional Development:

2018-WSATI Vehicle Fire Investigations Training Seminar. Co-Instructor.
2017-Oregon IAAI Chapter Conference. Tested 24 hours
2017-Oregon Fall CPCU Chapter Meeting, Co-Presenter Fire Investigation Techniques and Practices
2016-IAAI Oregon Chapter Conference. Tested 24 hours
2016-RGA Environmental - Fire Scene Awareness Safety, Tested 4 hours
2016-Oregon Spring CPCU Chapter Meeting, Co-Presenter Fire Investigation Techniques and Practices
2015-Oregon IAAI Career Development School-Electrical fires, Vehicle Fire Investigation, Fire Pattern Recognition, Meeting Requirements of 1033, Report Writing. Tested 24 hours

2015-Vehicle Fire Investigations, Instructor 8 hours
2014-NFPA 921 2014 Changes Seminar, FCA, Tested 2 hours
2014-Oregon Adjusters Association, Co-Presenter Fire Investigation Techniques and Practices
2014-Oregon CPCU Chapter Meeting, Co-Presenter Fire Investigation Techniques and Practices
2014-FCA – NFPA 921 Changes Seminar, Tested 2 hours
2014-RGA Environmental - Fire Scene Awareness Safety, Tested 4 hours
2012-IAAI Certified Evidence Collection Technician, Tested 8 hours
2011-IAAI Expert witness testimony, Tested 40 hours
2011-California State Fire Marshal - Fire Investigation 2A, Tested 40 hours
2011-California State Fire Marshal – Fire Investigation 2B, Tested 40 hours
2011-Public Agency Training Council - Fatality Fire Investigation, Tested 16 hours
2011-Central Valley Arson Investigators - Advanced Explosives Recognition
2011-Federal Bureau of Investigation- Post Blast Investigators Course
2011-Los Angeles High Intensity Drug Trafficking Area-Arson Murders-Fire Death Investigations
2011-Los Angeles High Intensity Drug Trafficking Area - Major Arson Investigations
2010-California State Fire Marshal – Low Angle Rope Rescue Operational, Tested 30 hours
2010-California Conference of Arson Investigators – Post Flashover Fire Investigation

International Association of Arson Investigators, CFI Trainer.net

- 2017-Investigating Natural Gas Systems, Tested 3 hours
- 2017-Motor Vehicle Fires, Part 1, Tested 3 hours
- 2017 Motor Vehicle Fires, Part 2, Tested 3 hours
- 2017-Intro to Youth Set Fires, Tested 3 hours
- 2015-Ethics and Social Media, Tested 3 hours
- 2015-Explosion Dynamics, Tested 4 hours
- 2015-Fire Protection Systems, Tested 3 hours
- 2015-NFPA 921 & 1033 2014 Important Revisions, Tested 3 hours
- 2015-NFPA 1033 and Your Career, Tested 2 hours
- 2015-Residential Electrical Systems, Tested 4 hours
- 2015-The Deposition Part 1, Tested 3 hours
- 2015-The Deposition Part 2, Tested 3 hours
- 2015-The Practical Application of the Relationship NFPA 921 & 1033, Tested 2 hours
- 2015-Using Resources to Validate your Hypothesis, Tested 2 hours
- 2015-Process of Elimination, Tested 3 hours
- 2015-Basic Electricity, Tested 4 hours
- 2012-DNA, Tested 3 hours
- 2012-How First Responders Impact Fire Investigation -Tested 2 hours

- 2010-Fundamentals for interviewing, Tested 4 hours

2010-California State Fire Marshal – Fire Investigation 1A, Tested 40 hours

2010-California State Fire Marshal – Fire Investigation 1B, Tested 40 hours

2010-Public Agency Training Council – Hands on Vehicle Fire/Arson Investigation, Tested 20 hours

2010-Public Agency Training Council – Arson Scene Search & Evidence Recovery, Tested 16 hours

2009-California State Fire Marshal – Trench Rescue, Tested 40 hours

2009-L N Curtis & Sons – Auto Extrication

2008-California State Fire Marshal – Rapid Intervention Crew Tactics, Tested 16 hours

2008-Nobody Gets Left Behind – Reading Smoke & Size-up for Fire Ground Success

2008-Monterey Fire Department – The Physics of Aerial Ladders

2008-US Army Corps of Engineers – FEMA USAR Structural Collapse Awareness Training

2007-State of California DMV – Employer Testing Examiner, Tested 8 hours

2007-California State Fire Marshal – Confined Space Rescue Operations, Tested 40 hours

2006-California State Fire Marshal – Rescue Systems 1, Tested 40 hours

2006-California State Fire Marshal – Rescue Systems 2, Tested 40 hours

2003-National Emergency Response & Rescue Training Center - WMD/Terrorism Incident Operations for Emergency Responders
2003-California Fire Fighter Joint Apprenticeship Committee, Operations Terrorism Consequence Management Training
2003-The National Fire Academy – Emergency Response to Terrorism
2003-Texas A&M University – Haz-Mat FRO
2002-National Emergency Response & Rescue Training Center- WMD/Terrorism Awareness for Emergency Responders
2001-California State Fire Marshal – ICS 100 & 200, Tested 8 hours
Fire Rescue West Conference
2001-California State Fire Marshal – Management 1, Tested 40 hours
1998-Berkeley Firefighters Association – Truck Company Operations and Ventilation Methods
1990-Mission College – Fire Command 1A, Tested 40 hours
1990-Mission College – Fire Command 1B, Tested 40 hours
1990-FEMA – IS-700
1990-FEMA – IS-800
1989-Mission College – Fire Instructor 1A, Tested 40 hours
1989-Mission College – Fire Instructor 1B, Tested 40 hours
1986-Mission College – Fire Ground Hydraulics
1986-Mission College – Fire Protection Equipment Systems
1985-Mission College – EMT
1985-Mission College – Fundamentals of Fire Behavior and Control
1985-Santa Ana College – Apparatus Maintenance 40 hours
1983-Mission College – Intro to Fire Science

Professional Experience:

Milpitas Fire Department, Milpitas, California – 1984 to June 2011

Firefighter
Apparatus Engineer
Captain
Shift Origin and Cause Investigator
EMT Proctor
Shift Training Facilitator
Dental Fund Board Member
Firefighter of the Year

Moore Quality Construction, Fremont, California 1993-2007
